## Kostenlose Garantiereparatur

### Cost estimate

The preparation of a cost estimate is free of charge.

The repair costs a flat rate of CHF 70.00 including shipping costs. The required spare parts are not included and will be charged separately.

If the repair is not possible or too expensive, you will receive a trade-in offer for a new device with up to 30% discount.

**Possible invoice by e-mail** (please enter your e-mail address above)

## The following items will be returned

Quantity	Product designation	Type*	Serial number S/N or N**

\* How do I find my product type?

The type can be found on the type plate below the Stöckli logo.

\*\* How do I find my serial number?

The serial number S/N or N can be found on the type plate.

## Description of defects and damage / other comments:

(if there is not enough space, please use the back page)
